Mellott is the industry's leading source for ALL your crushing and screening solutions.

Mellott is the leading innovator in the international rock crushing and screening business. We partner with the aggregate, slag, and construction industries as a true full-service provider, and support your operations with our expertise and thoughtful leadership.

No company in the industry can match our wide spectrum of **contract crushing, mobile crushing, systems/engineering and applications, parts sales, and equipment sales, service and rentals.**

We conduct our business by a philosophy we call "Values Based Leadership" (VBL). Our values are: *Safety, Integrity, Commitment, Respect, and Excellence*, which serve as the five pillars for our decisions and choices; and you will see the benefits of our values throughout all facets of your relationship with Mellott.

SERVICE

Mellott service capabilities are built on technical knowledge and years of experience processing aggregates.

We carry a large parts and equipment inventory to keep our customers up and running along with our 24/7 support and our after-hours assistance.

**42 SERVICE TECHNICIANS
STATIONED THROUGHOUT
THE EASTERN US**

We have a state-of-the-art ERP system combining resources to better serve you.
