MELLOTT®

EQUIPMENT DELIVERED
TO 17 DIFFERENT
COUNTRIES ACROSS
6 CONTINENTS

We offer a complete line of stationary, portable, wheeled and track equipment for domestic and international customers.

We don't just sell equipment, we also operate rock-crushing operations, which means we understand the importance of equipment uptime.

MC Portable plants

Mellott is the market leader in the design and manufacturing of a full line of portable crushing and screening equipment. We build a safe and highly productive range of portable crushing and screening plants, all of which can be designed specific to your needs.

Whether your crushing needs pertain to a large scale, multi-year construction project or a small job recycling concrete or asphalt, Mellott has the resources and equipment inventory to get the job done.
